

GALA CLEANER 800

Welding cleaning and electrochemical marking machine.

Ref.: 52800000

Code: FT52800000V1

Date: 23-12-22

**Description:**

Gala Cleaner 800 is a high-performance, environmentally friendly solution for cleaning stainless steel welding seams. TIG and MIG, by means of the application with a torch-brush of acids on the bead and electrolysis process. Designed so that we can act on the stainless steel welding seam in a comfortable and easy to apply way, eliminating oxides and burns on it. It also incorporates an electrochemical marking system for the part in stainless steel in black and in aluminium in white.

Use:

Industrial use.

Cleaning of stainless steel beads from TIG/MIG processes.

Marking of stainless steel (black) and aluminium (white) surfaces (optional).

Main advantages:**Cleaning**

- Practical and easy to use.
- Generates savings in stainless steel bead cleaning times compared to traditional systems.
- Generates savings on consumables compared to traditional systems
- With only one machine it is possible to clean the stainless steel bead and to mark the part.

Marking

- Simple and permanent.
- More economical than laser and screen printing.
- Respectful of the engraved surface.

Standard accessories included

- o Gala Cleaner 800
- o Spare parts and cleaning accessories.
- o Transport boot..

Basic technical characteristics

Supply voltage U ₁ (50-60hz)(1)	230 V ± 10%.
Output voltage Marked	12V
Output voltage Cleaning	9V
Max. power marked	150W
Maximum Cleaning Power	800W
Maximum power Equipment	800W
Mechanical protection rating (IP)	IP 21
Dimensions: WxHxD (mm)	187x196x289 mm
Weight (without cables)	10.5kg

According to EU Low Voltage Directive 2014/35/EC.

Spare parts and accessories (fitted as standard)

SPARE PARTS AND ACCESSORIES CLEANING

Cleaning Cable Assembly

Marking cable	Brush holder	Carbon fibre brush	Brush protection	
				
Ref.528.12.009	Ref.525.12.500	Ref. 525.16.012	Ref. 525.12.600	
		Recommended accessory (not included)		
		High performance coarse brush		
		Carbon fibre brush	Brush protection	
				
		Ref. 528.16.012	Ref. 528.12.600	

Masa Cleaning Set

Earth cable	
	
Ref.528.12.013	

Liquids

Boot Gala Cleaner 800

Electrolytic cleaning		
		
Ref. 525.16.013		Ref. 150005

SPARE PARTS AND ACCESSORIES MARKED (OPTIONAL)

Marked Cable Assembly

Marking cable	Brush holder	Marking kit		
		Graphite marking	Felts marked	
				
Ref.525.12.009	Ref.525.12.500	Ref.525.16.015	Ref.CLXMKG000006	Ref.3.21.212
		Ref.525.20.700		

Ground Wire Assembly Marked

Marking cable	Earth cable
	
Ref.525.12.009	Ref.528.12.013

Liquids

Marking electrolyte
